Docket No. 98N-1265 MAR 23 11:18

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, **I OBJECT** to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I urge you not to limit the health choices of women. The compounded medication prescribed for me by my physician relieves my symptoms & greatly enhances the quality of my life. This compound would not be available from pharmaceutical manufacturers or local pharmacies.
